LETTER

This is submitted in response to the Notice of May 15, 1996. A copy is attached. The Notice indicates that applicants have not complied with sequence requirements.

Applicants respectfully disagree.

The subject application is a divisional application. A sequence diskette was submitted in the parent application. Applicants have already requested transfer from the parent to the divisional as permitted by 37 C.F.R. § 1.821e. A copy of the Letter making this request dated November 17, 1995.

Applicants also submit a copy of their Letter of February 14, pointing this out.

MAY 23 1996
COMM. OF PAT. & TRADEMARKS

It would be appreciated if the USPTO would withdraw the Notice, of explain it, in view of the submitted evidence.

Respectfully submitted,

FELFE & LYNCH
